

EXCELLENCE THROUGH TRAINING

# 10 GOOD REASONS

## WHY YOU SHOULD ATTEND THE FUSION GOLD COURSE

1. You'll learn how to use features that you never knew existed
2. You'll be able to move things around the room in any direction, in any view with complete control
3. We'll show you how to completely customise your colours, backgrounds and tiles
4. You will be able to create an entire library of customised graphics. We'll even give you some that we've created to get you started!
5. Sloped ceilings, Velux and dormer windows created with ease
6. We'll show you how to master lighting in your designs
7. Get worktops to do what you want them to do - shape them, cut them and colour them with ease
8. Odd shaped rooms? Difficult angles? Worry no more, we'll turn your corner problems into corner solutions with a couple of key strokes
9. Taking too long on your designs? Learn all the shortcuts. On this course, you'll learn how to change views and menus at the press of a key, position units quickly, and dress a design in minutes!
10. How do we create the designs we use in our brochures and on our website? We'll let you in on all our tricks so that you too can create stunning images
