

EXCELLENCE THROUGH TRAINING

10 GOOD REASONS

WHY YOU SHOULD ATTEND THE FUSION SILVER COURSE

1. We'll move you up from the basics and give you the confidence to create bigger and better designs
2. You'll be able to add your own dimensions and annotations and tailor them to suit your presentation style
3. We'll show you how to master wall layouts including odd angles and circular walls
4. You'll be enhancing your designs with many extra features including columns, bulkheads, beams and flyover shelves
5. We'll demonstrate how easy it is to enhance your designs with Coving and Skirting
6. You'll learn how to shape and cut your worktops the way you want them
7. We'll show you how to add a variety of backgrounds for your windows and patio doors. We'll even teach you how to add your own
8. You'll learn how to tile your walls and floors with ease
9. You'll learn how to change prices, add discounts and export your quotes and invoices to a MS Word document
10. You'll be able to impress your customers using jpeg images and QuickTime 3D Movies
